* Recommendation

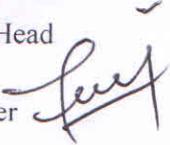

The Evaluation committee would like to suggest the following point to be further decided by Tender Awarding Committee.

1. The rate of few items were quoted same.
2. Sl.No. 9/ PANGLUNG ENTERPRISE has quoted Nu. 85 and M/s GURUNG SALES has quoted Nu.417. Since, M/s Panglung Enterprise did not submit the sample and the rate being quoted low, it raised skepticism among the members. Accordingly, on verification of the sample submitted by M/s Gurung Sales, it was observed the rate quoted by M/s Panglung Enterprise is abnormally low when compared to MRP quoted on the sample of Gurung Sales. Therefore, evaluation member would like to suggest to award the item to M/s GURUNG based on the ground reality and market value.

3. The green shaded portion denotes the items being lowest quoted as per the sample selection.
4. The sample of items that were not submitted by both firms to be awarded to lowest rate
5. Sl.No. 28 & 29 (Exercise book) While verifying the samples, the evaluation committee found that sample (Classmate) submitted by M/s Gurung sales is better than the sample (Fortune) submitted by MS PANGLUNG ENTERPRISE. Although the quoted rate of Gurung Sales is Nu. 587/- per dozen in comparison to Nu. 574/- of Panglung Enterprise making a difference of Nu 13/- per dozen, the evaluation committee suggested to award to M/s Gurung Sales based on the sample selection (good quality). Further, on calculation each Class mate exercise book costs Nu. 48.91 and Fortune cost Nu. 47.83 with difference of Nu. 1.08/- only. Referring the MRP, classmate is Nu. 58/- and Fortune Nu. 55 making a difference of Nu. 3/-. On comparison of quoted rate and the MRP, there is an advantage to purchase the books of classmate sample which gives better quality and durability to our schools. Therefore, the supply of exercise books may be given to M/s Gurung sales on the above ground.
